# Fairhope Soccer Club Sponsor Levels

The support of corporate & local business and the community is vital factor for our club's success and continued support ensure our sport also remains affordable for all player and their families. There are numerous costs involved in maintaining quality practice equipment, running youth soccer leagues & tournaments as well as enhancing the soccer complex. We also are able to provide financial assistance for those children who may not be able to participate in our soccer programs.

Fairhope Soccer Club is funded and operated by dedicated volunteers, a board of directors and committee members and a coaching staff. FSC is organized under Section 501(c)(3) of the Internal Revenue Code as a charitable organization. Our soccer programs teach respect, sportsmanship, teamwork, education, personal responsibility, integrity, trust and commitment.
